Frontend:	HTML5, CSS3, Bootstrap, Tailwind CSS, React.js, JavaScript, jQuery
Backend & Database:	Node.js, Express.js, MySQL, MongoDB
Data & Analytics:	Python, R, Tableau, Jupyter Notebook, Excel, Naïve Bayes Modelling
Project Management:	Agile basics, Notion (documentation & planning), Communication
Languages:	C, C++, Java

CERTIFICATIONS

Goldman Sachs – Internal Audit Job Simulation

Forage | Risk Analysis, Corporate Governance, Problem Solving

Deloitte – Data Analytics Job Simulation

Forage | Data Modelling, Visualisation, Python, Spreadsheets

Data Engineering on AWS Foundations

AWS Training & Certification | Cloud Computing, Data Engineering, AWS Services, ETL Fundamentals

UX/UI Design Professional Training

Alpha Tech Academy | Figma, User Research, Interface Design

Google Data Analytics

Coursera | Data Analysis, Visualisation, SQL, Spreadsheets

PROJECTS

SpotMyEvent – Real-Time Event Finder | MERN Stack, Leaflet, SerpAPI, Geoapify github.com/kavyasree-96/SpotMyEvent

- Built a full-stack event discovery platform with location-based search, interactive map (Leaflet/OpenStreetMap), and real-time event data via SerpAPI. Implemented autocomplete-powered location search, geocoding, Haversine distance filtering, and a ticket-booking flow within a React + Node.js/Express architecture.

Finance Tracker – Android App | Java, XML, Android Studio, SQLite github.com/kavyasree-96/ExpenseTracker

- Developed a native Android expense tracker with income/expense categorisation, transaction history, and reminders.
- Implemented local data persistence using SQLite and designed an intuitive XML-based UI following Material Design guidelines.

AI Spam Classifier | Python, Naïve Bayes, ML

- Built a Naïve Bayes classifier with TF-IDF preprocessing to detect spam with high precision and recall.

Pet Adoption Website | React, HTML, CSS, MySQL

- Designed a user-centred adoption platform with intuitive navigation and a relational MySQL backend.

EXPERIENCE & VOLUNTEERING

Field Volunteer – Diyaghar NGO *Community Service*

- Facilitated educational sessions for children; managed logistics and materials with high attention to detail.

Core Member – Hindi Association *Mount Carmel College | 2023 – 2026*

- Designed promotional posters using Adobe Illustrator & Canva; coordinated event planning across teams.

NSS Active Member *Mount Carmel College | 2021 – 2023*

- Managed field logistics and community outreach for campus initiatives.
